

Chipola River Soil and Water Conservation District

September 15, 2022

Members present: Steve Johnson, Gary Purvis, Terry Eubanks, and Johnny Eubanks

Others present: Scott Williams and Cathy Davis

The meeting was called to order by Steve Johnson. A motion was made by Gary Purvis to approve the minutes from the July 14th meeting. Terry Eubanks seconded the motion. Motion carried. The Treasurer's report was given, and current balance is \$2,894.22.

Scott Williams, Conservationist gave an overview of the activity in the Blountstown Field Office. We have 28 Environmental Qualities Incentive Program (EQIP) applications in total. Site visits will be starting on all the sites to evaluate the needs of the property.

Blountstown High School FFA Instructor has contacted the office requesting information on the local Land Judging Contest. Jackson County primarily host the contest now, since just one of our schools participate.

We still have a vacant seat that needs to be filled. Cathy Davis talked with Mrs. Suezette Price to see if she would be interested in filling her late Mother's seat. Mrs. Price is just too busy at this time to dedicate the time to the district.

Our next meeting is scheduled for December 22nd. There being no other business, the meeting was adjourned.
