Members not present: Steve Johnson and Gary Purvis

Others present: Scott Williams, Ethan Sapp, and Cathy Davis

The was called to order by Chairman Johnny Eubanks. A motion was made by Terry Eubanks to approve the minutes from the May 9, 2024, meeting. The motion was seconded by Jimmy Cox. Motion carried.

A financial report was given with no business, the balance is \$2,668.22. A motion was made by Jimmy Cox to approve the report. Terry Eubanks seconded the motion. Motion carried.

The Natural Resources Conservation District field office report was given by Scott Williams. We have 86 in total of EQIP and CSP applications for FY. 24/25, most applications are for Forestry, but this year we also have several for pasture practices. EQIP 24/25 approvals should start coming through in April.

We will be having Oyster and Clam sign up for biofouling. The sign up will end December 20th. If someone is interested, if they come to the soil and water meeting, we can assist them in signing up. There will be an informational meeting November 21st held at St. Teresa of Bald Point.

A motion was made by Terry Eubanks for Chairman to sign all year end reports. Jimmy Cox seconded the motion. Motion carried.

A motion was made by Terry Eubanks to appoint Johnny Eubanks back on the board. Jimmy Cox seconded the motion. Motion carried.

Our next meeting is scheduled for February 13, 2025.

A motion was made by Jimmy Cox to adjourn the meeting. Terry Eubanks seconded the motion. Motion carried.
